

## Battery Booster Rebate Scheme Guidelines

### Rebate Value

Notices of Combined Income Less Than :  
\$180,000

Standard Rebate :  
\$ 3, 000

Notices of Maximum Income Less Than :  
\$66,667

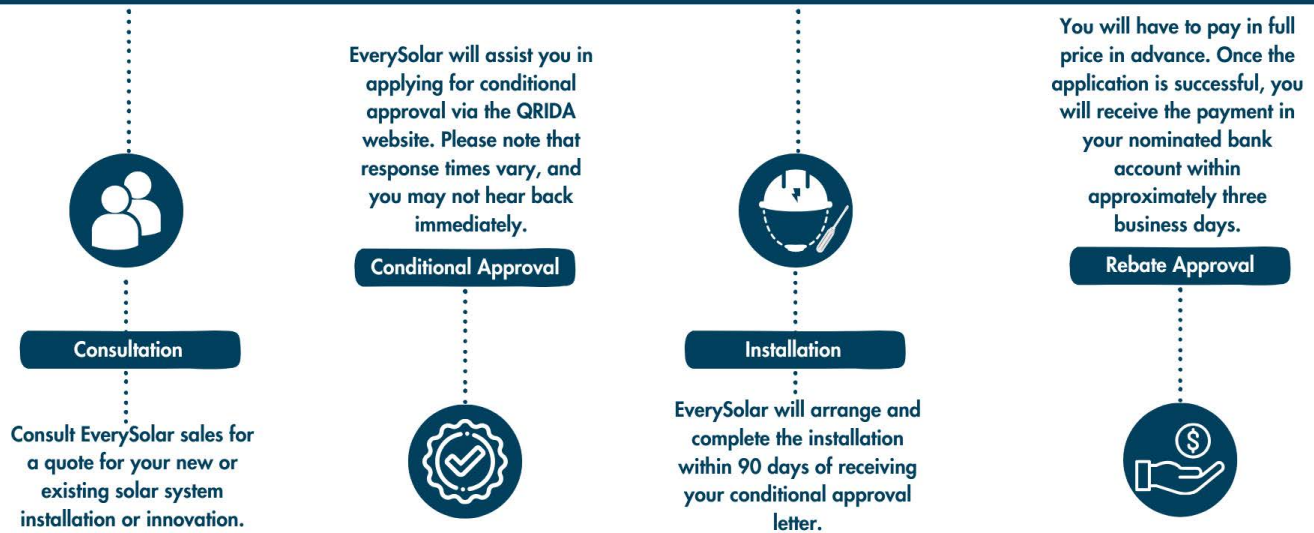

Low - Income Rebate :  
\$ 4, 000

To qualify for these rebates , applicants need to follow a two-stage application process :

1. **Conditional Approval** : Applicants must obtain conditional approval by submitting a quote and application before committing to the purchase .
2. **Rebate Approval** : After the conditionally approved system is installed and paid for, applicants can proceed to apply for rebate approval by providing invoice .

Alternatively please refer to the chart shown as below :

### Solar Rebate Application Process

### Required Documents

1. Invoice for installation .
2. Proof of home ownership (rates notice , contact of sales , or building contract) .
3. Evidence of income in the form of notices of assessment from Australian Tax Office for the most recently ended financial year .

\* Please noted rebate will be refunded by Queensland Government not through EverySolar. Terms and Condition applies .
